

CATHOLIC CHARITIES OF THE ARCHDIOCESE OF CHICAGO

Emergency Assistance Department

Overview

The Emergency Assistance Department (EAD) provides assistance to individuals and families whose lives have been disrupted by unplanned events such as domestic crisis, fire, unemployment, or relocation, or who for any reason are in need of emergency food and/or clothing.

Guidance

- **INFORMATION AND REFERRAL TO OTHER RESOURCES:** EAD is a point of entry for clients and others seeking information, linkages and/or referrals to appropriate Catholic Charities programs and community resources. Immediate assistance and advocacy concerning housing problems, public assistance and Social Security appeals are available to both families and individuals.
- **SHORT-TERM CASE MANAGEMENT:** EAD staff will work with participants who are experiencing problems with public assistance, housing, or other “red tape” situations. EAD staff can troubleshoot with participants or may refer them to other advocates when necessary.

Food

- **EMERGENCY AND COMMODITY FOOD PACKAGES:** Our Emergency Assistance sites have food pantries. Ready-to-eat food is available for those who have no access to cooking facilities.
- **NUTRITION INFORMATION AND COOKING DEMONSTRATIONS:** EAD offers periodic cooking demonstrations and handouts with recipes and information, to familiarize participants with the most nutritious ways to prepare food they receive from our food pantries.

Clothing

- **CLOTHING ROOM:** Many of our EAD sites have clothing rooms where participants can select needed items. Some household goods like blankets, fans, and sheets may be available depending on supply.
- **MARY'S CLOSET:** A specialized clothing program geared toward participants who are searching for a job. Clients are outfitted with interview-appropriate clothing during a personalized session with a wardrobe stylist. Participants also receive interview tips and encouragement.

Income

- **SCREENING FOR PUBLIC BENEFIT ELIGIBILITY:** Many EAD participants qualify for public benefits like the Supplemental Nutrition Assistance Program, SNAP, formerly known as Food Stamps; Medicaid, Medicare, and other supports. EAD staff screens for several types of benefits at once, saving participants from having to travel from office to office applying for benefits separately.

Financial Assistance

- Financial help with rent, utilities, and transportation as funds are available.
