Veterans Employment Program

Are you an unemployed Veteran?
Are you ready to get back into the workforce?

The Veterans Employment Program was created by Catholic Charities with the goal of helping veterans find employment. The veterans who join the Veterans Employment Program are motivated individuals either looking to pick up where they left off in their previous careers, or to find new opportunities in which they can apply their wide variety of skills. Staff works not only to help them find jobs, but to help them retain their jobs and remain stable and efficient employees.

Catholic Charities also networks with employers to help them hire veterans who have demonstrated leadership, discipline, dedication, responsibility and a strong work ethic during their service to our country.
