CATHOLIC CHARITIES OF THE ARCHDIOCESE OF CHICAGO

# Lake County Services

## Catholic Charities Services

Since 1917, Catholic Charities of the Archdiocese of Chicago has served those in need in Cook and Lake counties without regard to religious, ethnic, or economic background. We offer a comprehensive network of services that range from food pantries to mental health counseling, affordable housing, and senior services. We operate more than 150 programs at more than 153 locations and we assist more than 1 million people each year on their paths to self-sufficiency.

## Regional Offices

Regional offices function as local hubs where community residents can access Catholic Charities services. Regional Advisory Boards, made up of regional residents, guide and support the operations of the regional offices. We invite parishes, schools and other community groups to volunteer and donate to the office. Catholic Charities regional offices network with other community groups and municipalities to strengthen the social safety net in their geographic area.

There are Catholic Charities service sites across the region which are described on the map included in this fact sheet. The best way to receiving help, volunteering or to make a donation is to call the Lake County Office at (847) 782-4000.
