Welcome to Our FY 2020 Annual Report.

I am honored to report on the good works of this amazing organization. Like few other times in our 100+ year history, Catholic Charities has been called into service in unprecedented ways. Doubling and tripling some of our offerings overnight and quickly converting others from face-to-face to digital, our team has been out in homes, parishes, and communities across Cook and Lake Counties serving those in need—regardless of their faith or ethnic, racial, or gender identities—seven days a week.

Extraordinary needs continue to be met with extraordinary generosity from donors, staff, and volunteers. We have set records in both fundraising and service. I am so proud and fortified by our response. It is indeed a wellspring of hope you make possible.

Your gift supports one of the most effective human service organizations in the country, a lifeline for individuals and families and an anchor for communities. What makes us unique?

OUR EXPERIENCE

As our region grapples with the impact of a once-in-a-generation health crisis, Catholic Charities continues to respond with expertise, decisiveness, and impact—all built over a century of service. **Decade after decade, Catholic Charities has been there—serving people across the city and throughout suburban Cook and Lake Counties, at our offices, in parish parking lots and basements, and on the phone.**

OUR SCALE

We are one of the largest human services providers in the country. **We help hundreds of thousands of people each year in the Chicago region—regardless of their faith or ethnic, racial, or gender identities—and we meet them where they are.** We estimate that over the last century we have impacted more than 20 million lives.

OUR BREADTH

We know how to **feed and shelter people; keep families in their homes; care for children, seniors, and veterans; provide counseling for teen mothers and victims of domestic violence; invest in communities; and provide home care for the infirmed.** This list goes on—we are here for people, families, and communities in need.

OUR VALUES

We are a Catholic organization. **We believe in an all-loving and all-knowing God who uniquely cherishes and accompanies each person's life—and that we are called to be Christ's hands out in the world.** We serve with the empathy, confidence, and hope that comes from our faith in God, the love of Jesus, the consolation of Mary, and the inspiration of the saints who have served before us across the ages.

In gratitude for the many blessings this organization receives daily,

Sally Blount, Ph.D.
 President and CEO

BEFORE, DURING & AFTER

This annual report (July 1, 2019-June 30, 2020) bridges the time period of the coronavirus pandemic, from when the world first started to understand the scope of our health challenge into unprecedented economic needs stemming from health precautions aimed at slowing transmission of the virus.

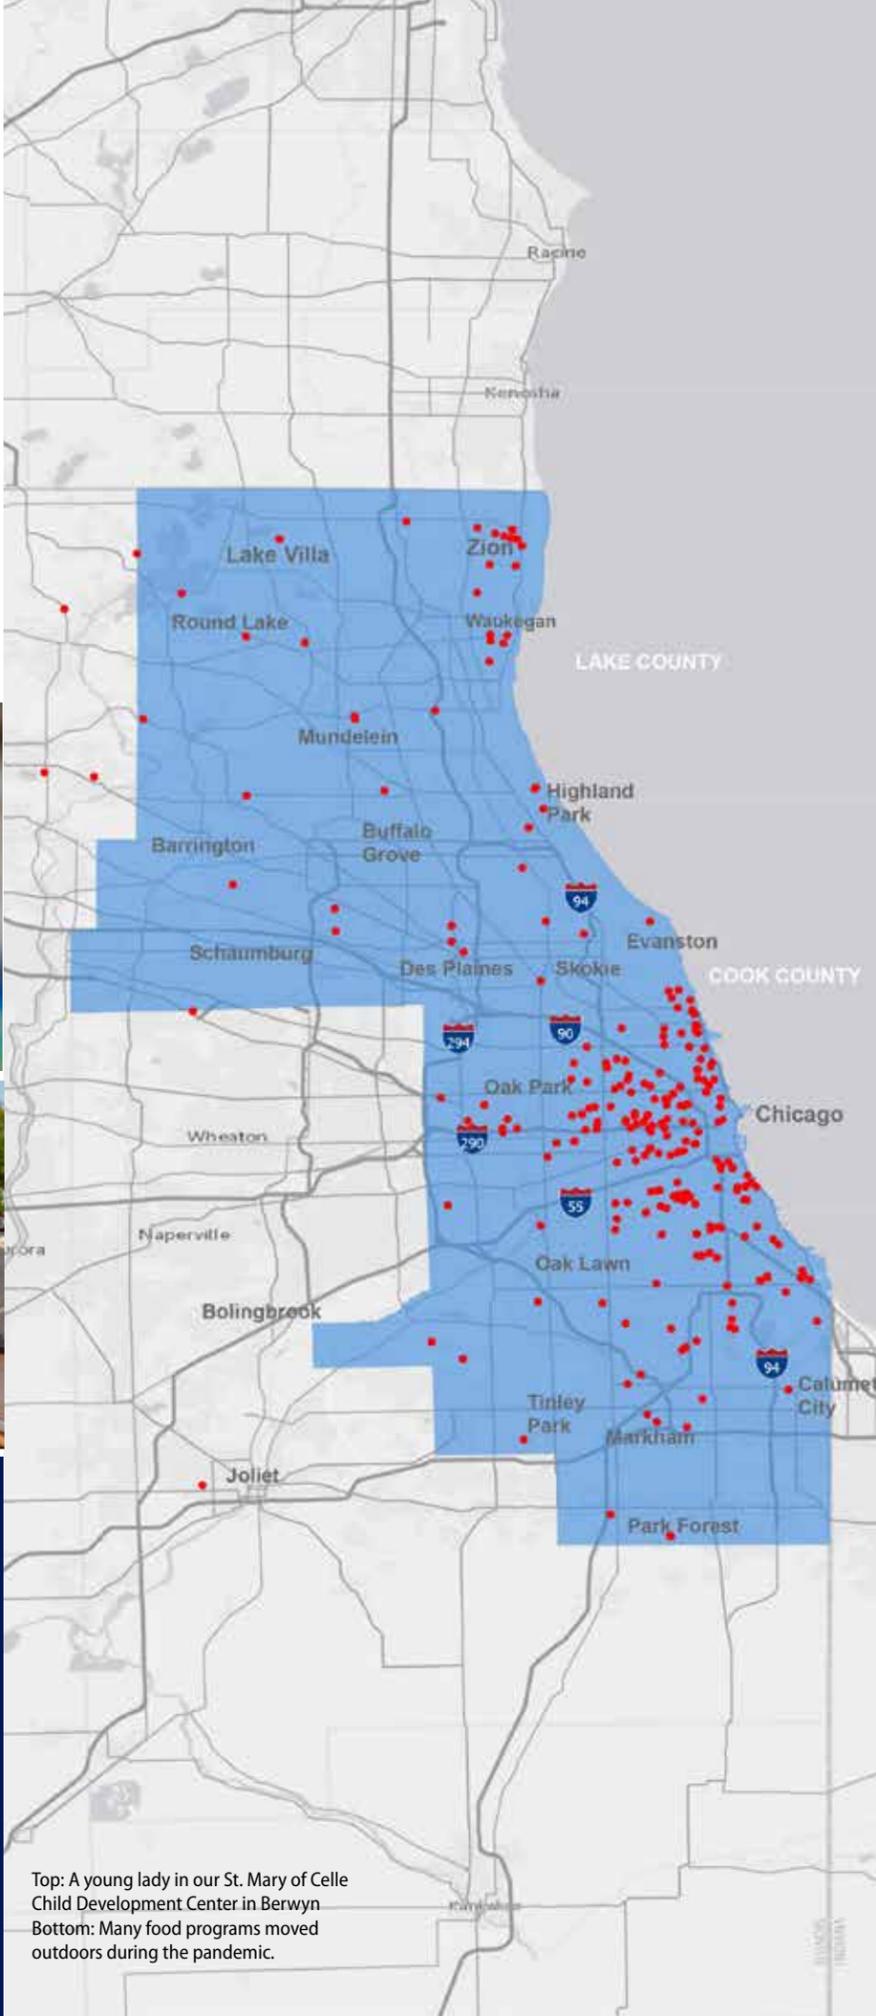

As we were before and will be after, Catholic Charities has been there.

But only because you've been here with us. You have our immense gratitude.

Catholic Charities provides services that support and strengthen individuals, families, and communities—from prenatal care to senior housing—through more than 50* programs at 304 sites in Cook and Lake Counties, improving the lives of hundreds of thousands of people every year.

*Individual program distinctions have been consolidated and do not include the number of sites offering programs.

CATHOLIC CHARITIES COVID-19 RESPONSE FUND

In the midst of the uncertainty surrounding the pandemic, our donors have shown faith in our efforts to provide essential services to individuals and families throughout Cook and Lake Counties. Our COVID-19 Response Fund raised over \$5.48 million from over 6,200 donors in three months.

This fund allowed us to provide:

- Critically needed Personal Protective Equipment (PPE) and cleaning supplies for our front-line staff who provide essential services during the pandemic.
- Gratitude pay for our front-line staff who bravely provide compassionate and competent services to all in need.
- Expanded basic needs support for those struggling to feed and house themselves and their families.
- Operating funds needed to support operations continuity during this extraordinary time of need.

STAFF HONORS - WITNESS OF MERCY AWARDS

Catholic Charities' cup overflows when it comes to remarkable donors, partners, and staff. It is our honor to offer Monsignor Michael Boland and Kathy Donahue-Coia our thanks for decades of extraordinary service and our best wishes as they embark on their new chapters.

This year, too, we recognize some outstanding members of our staff who live our mission every day in bringing compassionate and excellent care to those in need. They exemplify what it means to be the hands and feet of Christ. These remarkable people—along with you, our donors, partners, and volunteers—are living proof of our abundant blessings.

MARY HENDERSON

Director, Family-Based Services

Mary oversees Intact Family Services which provides intensive home visiting services to families involved with the Department of Children and Family Services due to abuse or neglect. The overarching goals of the program are to strengthen families, protect children, and prevent foster care placement. Throughout the COVID crisis, Mary and her team have continued to provide intensive in-person services to ever-increasing numbers of families struggling to cope during this health and economic crisis.

ANDREW WILLIAMS

Director, Peace Corner Youth Center Operations

Andy has been a faithful employee of Catholic Charities for more than 25 years, the past four as operations manager of the Peace Corner Youth Center in Austin. He has been a mentor and support to the Peace Corner directors and staff, a loyal partner in community networks, and a consistent positive role model for the youth. He demonstrates genuine care and concern for the well-being and development of the youth who come to the Peace Corner, encouraging academic success and lifelong learning.

SHARON TILLMON

Department Director, Family Stabilization Services

Before the pandemic, Sharon faithfully and reliably led her team to care for our most vulnerable neighbors by providing for essential needs with food, clothing, financial assistance, and access to other benefits and resources. During the pandemic, Sharon has mobilized and expanded her team, working hand in hand with the regional directors, volunteers, and other partners to respond to the exponential increase in the number of people coming to our doors, desperate for help—and hope.

MAGALIE AUGUSTAVE

Department Director, Supportive Services for Veteran Families and Veterans Employment

Magalie has been with Catholic Charities over 20 years. She has served in a variety of roles across multiple service areas... always with compassion, energy, and dedication. During the pandemic, Magalie has continued to serve our veterans. At one point, she was supporting 50 veterans staying in hotels and had to ensure their well-being. She continues to work diligently with her staff to house and provide employment services to our veterans.

DONALD WATSON

Activity Aide, St. Ailbe Adult Day Services

Donald assists participants who attend our Adult Day Service Center. During the pandemic, our Adult Day Care sites have been closed for safety reasons, and Donald volunteered to redeploy to assist staff who needed help in other areas. He is currently assuring that our Home Care Aides have the masks and gloves they need to safely serve their senior clients who live alone. Donald shows up faithfully to work each day—most often on his bike—amid rain, sleet, snow, and pandemic.

SPECIAL GRATITUDE AND CONGRATULATIONS

MONSIGNOR MICHAEL BOLAND

Executive Consultant, Member Services, Catholic Charities USA

We are pleased to report that Monsignor Boland continues a life dedicated to the poor and vulnerable in his new role as an Executive Consultant at Catholic Charities USA, where he is consulting with Diocesan Directors to improve operations and services. Monsignor works with Catholic Charities' leaders from across the country on issues related to management, strategic planning, development, evaluation of agency programs, and services and governance issues.

Thank you, Monsignor, from all of us at Catholic Charities.

KATHY DONAHUE-COIA

After more than 30 years of service with Catholic Charities, including serving as our interim CEO throughout FY20, Kathy retires leaving an enduring legacy as an advocate for the vulnerable, the suffering, and the overlooked. She has served thousands during her many years of service. Because of who she is, Kathy's kindness and advocacy for all those struggling or left behind will find new outlets in retirement along with travel and time with her beloved grandchildren.

Thank you, Kathy, from all of us at Catholic Charities.

ARCHDIOCESE OF CHICAGO

In the wake of the COVID-19 outbreak, Catholic Charities and the Archdiocese of Chicago joined forces to raise money for those most impacted by the health and financial ramifications of the pandemic. Generous donors committed \$22.6 million for COVID-19 related efforts, including food, financial relief to prevent families from being evicted, and burial assistance. Strong partnerships are always imperative in meeting community needs, but especially during a crisis.

We are grateful to Cardinal Cupich for his leadership and to the whole Archdiocesan team.

"Intense love does not measure, it just gives."

-MOTHER TERESA

CATHOLIC CHARITIES DONORS

On behalf of our board, clients, volunteers, and staff, thank you for your extraordinary generosity during these unprecedented times. Your continued commitment and support of our mission and the work we do, day in and day out, inspires us to want to do more for those who come to our doors in need.

FREQUENTLY ASKED QUESTIONS

Does any of the money that is donated to Catholic Charities benefit the Catholic Church?

No. We are financially independent from the Catholic Church in Chicago. We do not donate to the Archdiocese of Chicago, and we do not regularly receive funds from them—except when donors designate their funds to be used for our work, in which case we receive 100%. **Our donor base is diverse and broad**—representing a full range of faith backgrounds. What they all share is care for their neighbor, and respect for our values and impact.

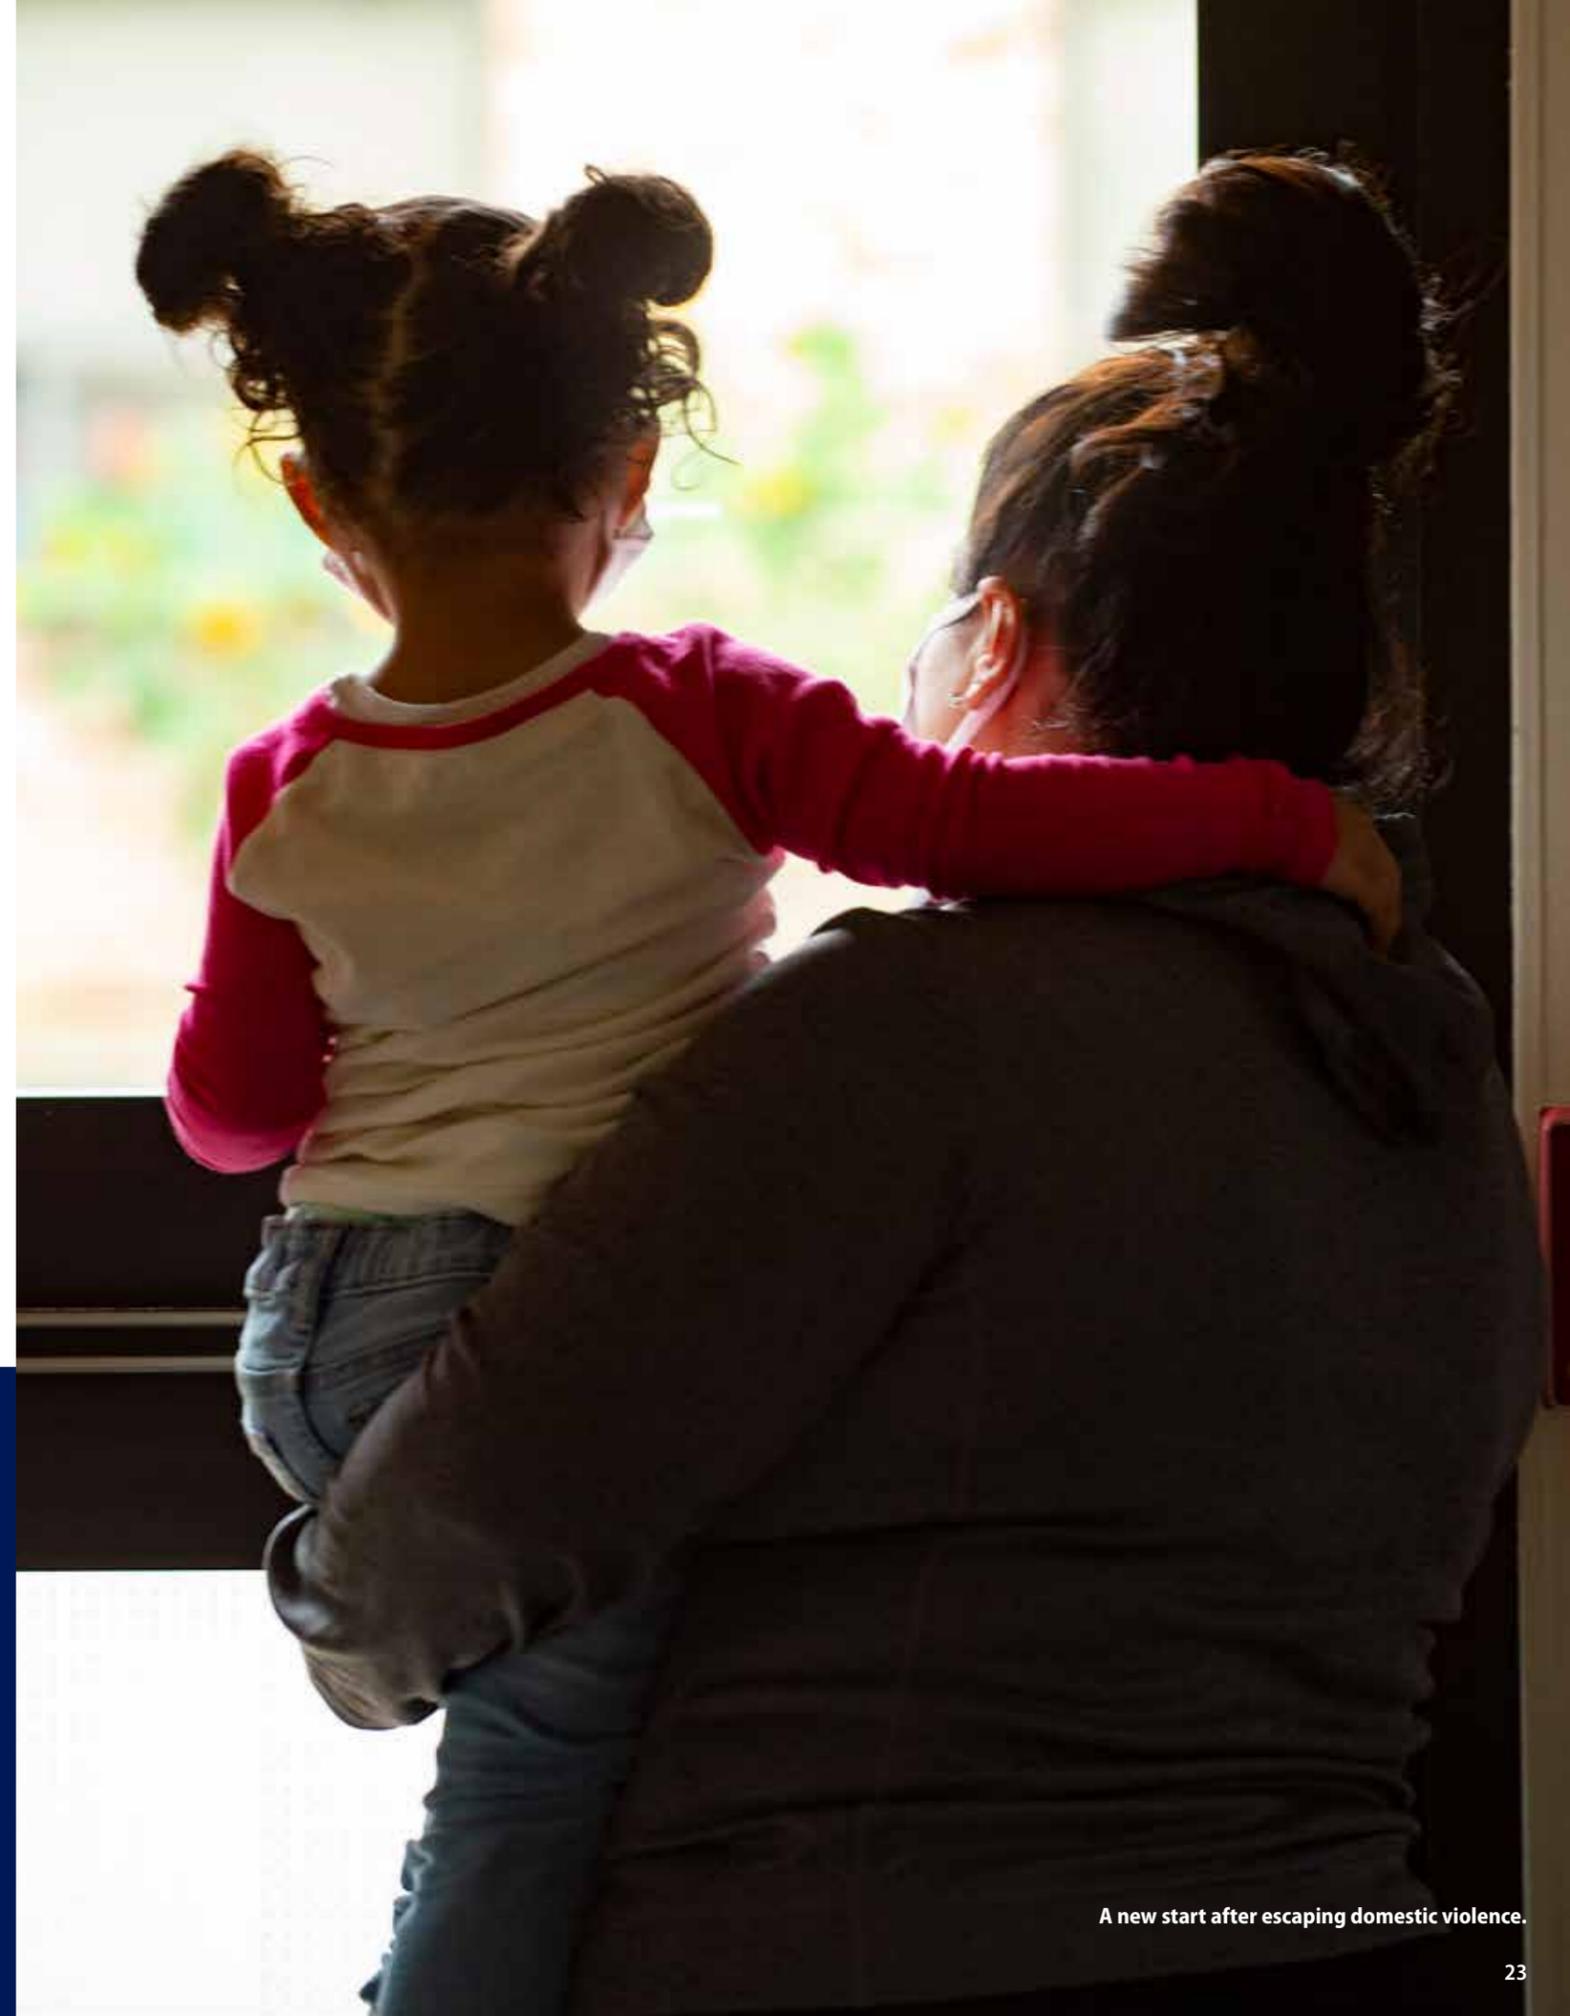

In addition, 91 cents of every dollar goes to serving those in need...and we have a Platinum GuideStar rating as an independent non-profit organization.

Does Catholic Charities receive government funding?

Yes. Because of our experience, scale, breadth, and values, we are a **go-to partner for government and civic leaders alike, particularly in times of need.**

BUT...as local, state, and federal budgets have become increasingly stretched, government support for human services continues to shrink. At Catholic Charities, our **government support has fallen by more than 20% over the last decade**, while demand for our services grows exponentially.

We are fully responsible for our own funding, which means we need people and families like you to help us to continue to provide good works and hope to our neighbors in need, especially now.

A new start after escaping domestic violence.

The face of need **is your neighbor.** **The face of hope is you.**

With your support, Catholic Charities has been helping those in need, regardless of gender, race, ethnicity, or faith, for more than a century.

Please give what you can at catholiccharities.net
or by texting "Neighbors" to 243725.
