# SNAP Employment & Training

## Overview

The Supplemental Nutrition Assistance Program Employment and Training (SNAP E & T) provides SNAP participants with training, skills, and work experience to increase their ability to obtain regular employment, leading to economic self-sufficiency. Catholic Charities SNAP E & T Program develops individuals' work skills by securing employment through short-term training and work assignments. SNAP E & T is funded by the United States Department of Agriculture (USDA) and is provided through a partnership with the State of Illinois.

## Services

SNAP E & T helps participants by providing training and opportunities including:

- Life skills training
- Career Boot Camp (personal effectiveness training)
- On-the-job work experience internships
- Vocational training
- Career placement assistance
- Career retention services

## Benefits

On-the-job training provides 20 hours per week of employment opportunities offered through partnerships with internal and external community partners. Upon completion of Career Boot Camp, SNAP recipients are able to obtain an internship, choose a career, and/or gain and advance in an employment opportunity. Internships can lead to a permanent career opportunity.
