

CATHOLIC CHARITIES OF THE ARCHDIOCESE OF CHICAGO

Annual Health Fairs

Overview

Every summer, Catholic Charities coordinates, organizes, and runs several free community-based health fairs in the most medically underserved communities in the Chicago area. Local medical professionals and community agencies partner with Catholic Charities to provide the highest quality health fairs possible.

The focus of our health fairs is to provide basic medical services for all people who attend the health fair and connect them to local clinics for continuing preventative health care. Medical professionals provide free medical and dental screenings, exams, immunizations, and one-on-one regarding the exams and screenings findings. Referrals for free and reduced fee community medical and mental health clinics are also provided.

All are welcome, including walk-ins, and no identification is required to attend.
