

CATHOLIC CHARITIES OF THE ARCHDIOCESE OF CHICAGO

Madonna House

Overview

The Madonna House provides housing and casework services to families who are homeless. The residence shelters women and their children in private rooms with light and airy community spaces and offers wrap-around services to help these families move from homelessness to self-sufficiency. The program services are designed to strengthen families by helping them locate and apply for appropriate permanent housing options, and to address the barriers they face in obtaining permanent housing.

Temporary housing is provided for families. During this time, a full-time caseworker provides intensive case management services, connecting families to public benefits, medical and/or psychiatric services, and employment opportunities.

Services

Madonna House offers a home-like environment where families can regain their dignity and focus on goals like finding employment, affordable childcare, and generating personal savings. Madonna House provides the following services:

- Response to a crisis situation
- Assessment and referral to appropriate permanent housing options
