DEAR FRIENDS OF D'VINE AFFAIR,

Thank you for your generous support of the d'Vine Affair. For 22 years, this tasting has been a significant fundraiser for Catholic Charities, helping families in need. Since Joe and Helen Glunz started this fantastic event, it has raised hundreds of thousands of dollars for Chicago area families. The amazing thing about this assistance and fundraising is that the benefits are not just for immediate needs but are seeds of change that flourish into success for generations, with education, training, employment assistance, and case management. The results achieve and maintain independent, self-sufficient lives to provide for their families.

The success of this event is a reflection of your love, respect, and compassion for others, and of course, your love of wine!

We all extend a big "thank you" to the generous vintners who have given of their time, fine wines, and generous auction items. A very special thanks to the teams and staff at Catholic Charities, Louis Glunz Beer and Louis Glunz Wines, especially Abby Brindis and Dana Johnson, and all the volunteers for their assistance, and the d'Vine Affair committee for the many months of planning and work.

An extra special thank you to Kathleen Altonji for her leadership and organizational skills that made our return to an in-person event a success. And achieving this success in the shortest amount of time possible.

Thank you to the many advertisers, underwriters, and sponsors, especially Jones & Cleary Roofing and Sheet-Metal, First Bank Chicago, Bonaccorsi Wine, Helen & Joseph Glunz, Sr., Polales Horton & Leonard and Kathy and Joe Altonji.

In a special way today, we thank Helen and Joe Glunz for their inspiration and guidance in generosity, which started this event 22 years ago. You are an inspiration to us all and it is shown in the faces of the many families who have benefited from self-sufficiency and success due to the many years of your service.

Finally, there is nothing more rewarding or memorable than to see the pride and hope enjoyed by the families this program has helped.

We thank you for your continued support!

For all of your devotion, perseverance, and endless efforts together in creating the d'Vine Affair in support of families in need. Your dedication and love of family brought you to the Catholic Charities Self Sufficiency programs and through your commitment the program has touched the lives of countless individuals in need for over 20 years. It is this same devotion, perseverance, and endless effort together that has helped us build and grow two family businesses with generations to follow. The teams at Louis Glunz Wines and Glunz Family Winery join many others across the greater Chicagoland area in expressing our deepest gratitude to you and thank you for your commitment to service.

MOM AND DAD,

Throughout your 58 years of marriage, you have put your faith in God, commitment to service, and devotion to family at the center of your relationship. You have touched the lives of countless individuals in need and shared yourselves and your love so generously with the world.

We are eternally grateful for your leadership, love, compassion for others and willingness to give all of your-selves to your faith, family and community. You have instilled in us, and demonstrated for many others, how we can use our talents to serve others.

Thank you for all you have done for Catholic Charities, for all of us, and to advance the greater good. We are committed to living our lives by your incredible example.
