Catholic Charities of the Archdiocese of Chicago was founded more than a century ago to meet human need through the mission of charity. We partner with mission-driven people and organizations across Cook and Lake counties to witness a message of mercy and hope to a world in need, as we work together to improve lives and nourish spirits; strengthen and empower people, families, and communities; and create and share opportunities for living out our faith and values.

"I love Catholic Charities.  
I don't know where I'd be  
without them."

DAN, RESIDENT,  
ST. LEO RESIDENCE  
FOR VETERANS

*Dan, a resident of St. Leo Residence for Veterans, pictured above right,  
with Catholic Charities Case Manager Gerardo Diaz, MA, LPC*

When Dan was honorably discharged from the U.S. Navy after suffering a leg injury during Desert Storm/Desert Shield, he returned home to Chicago. He found work, but when his son suddenly died of an asthma attack at age 3, Dan fell into a deep depression. He lost his job and soon found himself without a place to live. "But I found St. Leo. I was so glad," Dan says. "Even though I stayed in a studio apartment, it was like a mansion to me." St. Leo provides more than a roof over the heads of more than 130 previously homeless veterans like Dan—it also provides vital access to services and on-site staff, who are licensed in their fields and have numerous years of experience. These wraparound supports are critical to residents' long-term recoveries, health, and self-sufficiency. Without St. Leo, Dan says, "I don't know where I'd be."

**374,000** neighbors in
