One Extraordinary Impact.

Join us.

We invite you to join Catholic Charities in advancing a legacy built over decades—one where generosity on the course translates into hope, stability, and opportunity for hundreds of thousands of neighbors each year. We serve all people without regard to religion, race, or circumstance, making our work a shared opportunity to make a measurable impact in the lives of our neighbors in need.

Together, we can ensure that compassion continues to meet need—today and for generations to come.

"I have to thank Catholic Charities for all that it does. No matter who you are or where you live, if you're in need, Catholic Charities is there to help you along the way and get you back on your feet."

Catholic Charities of the Archdiocese of Chicago was founded more than a century ago to meet human need through the mission of charity. We partner with mission-driven people and organizations across Cook and Lake counties to witness a message of mercy and hope to a world in need, as we work together to improve lives and nourish spirits; strengthen and empower people, families, and communities; and create and share opportunities for living out our faith and values.
